HAM RADIO FIELD DAY 2009**

June 27—28, 2009

Saturday 10am till Noon Sunday in Bethany Beach

The event takes place at the Bethany Beach National Guard Facility just north of Bethany on HY 1. Enter at south side gate (near VFW BBQ stand).

This is an event for all ages. Bring your friends and family, young and old. Learn about Amateur Radio, meet new friends, take part in a fun hobby. Find out how to communicate when all else fails.

Along with everybody else, Governor Minner had a great time at our 2007 Field Day!
